The first petitioner, having been dissatisfied with the results of the Third Semester Supplementary Examination for B.Tech. Mechanical Engineering, has applied for revaluation of paper ME-301 (Mathematics-III). The second petitioner, who has completed the course of B.Tech,Mechanical Engineering, having been dis-satisfied with the results of the 3rd, 5th,6th, 7th and 8th Semester Supplementary Examinations, has applied for revaluation of papers PTME-302 (Fluid Mechanics) (3rd Semester), PTME-505 (Mechanics of Solids-II)(5th Semester), PTME-605 (Dynamics of Machinery) (6th Semester), PTME-705 (Statistical Quality Control)(7th Semester) and PTME-803 (Thermal Engineering-III)(8th Semester). The petitioners complain of delay in completing the revaluation process.

2. I have heard the learned Standing Counsel for the University. He submits that the University would

require at least two more months time to complete the revaluation process.

3. After having heard both sides, I direct the respondents to complete the revaluation process for which the petitioners have applied for and publish the results, thereof, within six weeks from the date of receipt of a copy of this judgment if the applications are in order in all respects.
